

**STEVEN DEYO
2018 DEDICATION
NORTH COUNTRY INTERNATIONAL FIRE TRAINING SCHOOL**

The Alburgh Volunteer Fire Department Inc. (AVFD) is currently celebrating its 50th year anniversary and also hosting the 47th North Country International Fire Training School. Steven (Steve) Deyo is one of the founding members of the Alburgh Volunteer Fire Department when it was formed in 1968 and has filled various positions within this group over those years, including Assistant Chief in the early years.

Steve has been a mainstay in helping to organize and support the NCIFTS every year since its inception in 1971. The Board of Directors for the NCIFTS is very pleased to recognize this continuous service and in doing so, dedicates this year's Fire School to a very important person who has devoted his life to the citizens of Alburgh, Grand Isle County and especially to the students and staff of the North Country International Fire School.
